## WEEK 1 TERM 3 2018

Kia ora koutou Tinui School whānau and friends!  
Welcome to term 3!

We have had a fantastic start to the term and it is a very busy one! Make sure you keep up to speed with the important dates as there are a few activities and events coming up!

This term our Complaints and Behaviour Management policies and procedures are up for review. Please go to our School Docs site and have a read through and place feedback using the red "under review" tab. It is important to the staff and Board of Trustees that you as a school community have input into our school policies and procedures and this is your chance to do so. There are instructions on how to get to the site in this newsletter and I have attached the policy review process and a policy review form for those of you who. This week I thought I would share with you some reasons why you should read to your kids. I have imbedded the link to the full article in the title which you can click if you open this newsletter from the school facebook page. After reading these reasons, I'm hoping you'll pick up a book and start reading aloud on a regular basis.

### [6 Reasons to Read Aloud to Your Kids](#)

1. Reading aloud to children creates a lifetime interest in reading.
2. Reading to young children extends their attention spans.
3. Reading aloud to children aids in language development.
4. As you read aloud, the power of a child's imagination is strengthened.
5. Reading aloud helps build a child's comprehension.
6. Last, but certainly not least, read-aloud time is great one-on-one bonding time.

If you need to contact me please do so at school or on [principal@tinui.school.nz](mailto:principal@tinui.school.nz)

Nga mihi

## SchoolIDocs Policies and Procedures **Policy and Procedure Review Process**

**BEFORE THE REVIEW**  
SchoolIDocs reminds schools about upcoming review topics in an advisory and on Facebook.

Print the review schedule. Go to Documentation and Self Review Policy > Review Schedule on your school site, or your [Dashboard](#). The current year schedule and a full 3-year schedule are available as PDFs.

### **DURING THE REVIEW**

#### **Review period starts**

SchoolIDocs sends out an advisory at the start of the term, notifying schools that the topics are now open for review.

#### **Alert your reviewers**

Alert the appropriate reviewers (board, staff, and/or parents) what's being reviewed and how to participate. Instructions for how to do so are available from the Current Review tab on your site.

Provide staff and parents with the community login, username and password. The principal and board use the admin login details.

#### **Do the review**

To complete a review:  
1. Click the red Policy Review button at the top-right of the topic page.  
2. Follow the prompts.  
**Do not** email your review feedback to the SchoolIDocs team!

Staff and boards may wish to discuss topics under review together, and submit their feedback as a group.

#### **Check your reviews**

Your can view any feedback that's been submitted by going to your [Dashboard](#) and clicking on the link in View your Reviews.

#### **Review closes**

The review closes on the last day of the term.

### **AFTER THE REVIEW**

**STEP 1**  
SchoolIDocs collects the policy feedback from the review.

**Principals and boards**  
Review your content AND implementation feedback via the [Dashboard](#).

**STEP 2**  
Based on the feedback received, SchoolIDocs may determine some topics need revision or updates.

If so, we will create drafts of those topics and put them on the [SchoolIDocs Demo site](#).

**STEP 3**  
SchoolIDocs emails an advisory to schools about the draft topics and their proposed roll-out dates.

**Check Upcoming Changes on the Demo site** to view the draft topics.

**STEP 4**  
Compare your current topic with the draft on the Demo site.  
If you're happy with the draft content, do nothing. Your site will automatically update when the draft content is rolled out.

Some schools have especially school-specific content that may differ significantly from the generic topic and its revised draft. You can tell if yours differs significantly by comparing it to the same topic on the [Model site](#).  
If your topic is very school-specific, you will need to choose one of the options below:  
• Adopt the new SchoolIDocs draft topic.  
• Keep your current topic as is.  
• Make changes to your topic.

Actions for schools  
Actions for SchoolIDocs

We recommend that schools adopt the new draft to ensure you have the latest, most robust information.

**STEP 5**  
Email or ring the SchoolIDocs team if you need changes, or have questions about the draft topics.
