Kia ora koutou Tinui School whānau and friends!

Thank you to those of you who have provided feedback on our school docs site regarding home learning and reporting to parents. It is important that as parents and caregivers in our community you have a voice.

You may have noticed that there are fewer, if any, cars parked in front of school this term. No we are not walking to school! We are parking in the carpark next to the hall to allow you to park in front of school so your kids don't have to cross the road. We discussed this change as a staff as we were concerned that it was dangerous for our kids to cross the road with the amount of heavy traffic and general traffic for that matter that passes the school.

Good on you if you are one of the 12 families who have signed into Seesaw and started to share their child's learning. If you have not signed in please follow the instructions below.

Your child will post to Seesaw to share their learning. I'll also use Seesaw to send you messages and reminders. Seesaw is private; you'll only see posts created by your child.
