## WEEK 5 TERM 3 2018

Established 1876

Kia ora koutou Tinui School whānau and friends!

The term just keeps getting busier and busier! This week has seen us recovering from our school production of Te Nui and blasting into practicing for our Artsplash Sing. We will be singing as part of a massed choir of students on September 17th at the Michael Fowler Centre. We will be travelling as a school to Wellington for the day practicing at 12:30pm, having a break where we will be checking out the sights of Wellington and then back to the Michael Fowler Centre around 5:00pm to perform with a couple of thousand other kids! There will be a notice coming home soon that will be asking for help with transport. It was a fantastic fun excursion last year to Dance Splash and I'm expecting this year's trip to be awesome too.

On Wednesday we all went to the Wairarapa College production of "High School Musical". The kids really enjoyed it and after having performed our own production had a newfound understanding of the time and effort the Waicol students would have had to put into getting their show up and running. As I mentioned last Friday, the arts is an important part of our New Zealand curriculum which is sometimes put to one side. The learning our students experienced by being part of "Te Nui" cannot be replicated in the classroom and when we asked the kids if they now would like to be part of another production or maybe try their hand in the performing arts again a fair proportion of them were very keen to do more!

We have had lots of positive feedback from the wider community about Te Nui and we are thrilled with the kind and positive words that have been written. To see our school and wider community come out in such large numbers to support our school is fantastic so thank you one and all for your support. Have a fantastic weekend!

### ROOM 3 WRITING

On Friday we all had a play and I was a sheep and it was fun. Alexea was a sheep too and Keiana was a sheep too and Lockie was a mail man. Harvey was a dog and Austin was a dog too and Thomas was a tree and Lockie was a tree too. Luke was a fireman. Kustom and Sam were the washing line.

On Friday night the whole school put on a play. At four thirty all the kids were at the hall. They were all getting their costumes on and getting their faces painted. I was greeting people at the door. In the play I read out the story that my dad wrote at Tinui school.

On Friday we all went into the hall and there were mums and dads and babies too. They came to the hall. I was a Warrior and a boot maker. It was fun too and we sang the national anthem at the end I stole 10 chocolates and 20 bacon and egg pies and some drink and some biscuits!
