## WEEK 7 TERM 1 2018

Established 1876

Kia ora koutou Tinui School whānau and friends!

Summer has gone and the chilly weather is on it's way. As a consequence we have closed the swimming pool and would like all key holders to return their keys. On their return you will be refunded your key deposit of \$20.

I have to thank the group of dedicated parents who came to school on Tuesday afternoon to shovel and rake wood chip under the playground. It was a mammoth task which would have taken many many more hours if it was not for Mr McLennan bringing his tractor to help move the chip around. Thanks again to you to all for helping.

I have been informed by the MoE transport person in Palmerston North that our bus route review has meant the Mangapakeha bus route will be reinstated and that the Castlepoint / Tinui Valley run is being reviewed with a view to cutting the travel time for students on the bus. The Mangapakeha is being costed and tendered and we will have news in a week or two as to where the bus will run to and turn. As soon as I have any news I will send out a note to parents.

There has been some rowdy behaviour on our busses and I have spoken to students about bus behaviour and what our expectations are.

1. Students are to sit and remain in their seats at all times.
2. Students are to use inside quiet voices when on the bus.
3. Students are not to distract our drivers in any way.

Please go over these expectations with your child if they are on our busses.

If you need to contact me please do so at school or on either 0272459795 or [principal@tinui.school.nz](mailto:principal@tinui.school.nz)

Nga mihi
