Kia ora koutou Tinui School whānau and friends!

Thanks to those families who have booked their learning conferences on Monday and Tuesday. Those of you who have not will be caught up with early in Term 3. It is important that you catch up with us and have a conversation about your child's learning.

It was great to see families come and share the pepeha of the Room 4 students at the Ka Rewa Whānau sharing morning. The students worked very hard researching their whakapapa, practicing their pronunciation and memorising as much of their pepeha as they could. They are really looking forward to the next Ka Rewa sessions in Term 3 and so am I.

Please remember that you must contact the school if there are any changes to the afternoon bus arrangements for your child. It is awkward for us if another parent arrives at school and is expecting to pick up your child from school and they have been put on the bus because we have had no contact from you. You can use facebook messenger and message the school page, **not a staff member's personal account**, or you can email the school office or leave a message on the school answer phone. If there is a regular arrangement for a sports practice please email the office and we can note it.

If you need to contact me please do so at school or on principal@tinui.school.nz
Have a fantastic weekend.

Nga mihi
Richard Lennox
