

WEEK 1 / 2 TERM 1 2019

Kia ora koutou Tinui whānau and friends!
First off welcome back to school. I'd like to thank all those who have helped with the fund raising activities associated with the Tinui Horse Sports over the weekend.

Thanks to the PFC for running the barbeque and also thanks to all involved in the Prime Lamb competition. The results have been published online. To take a look at these please go to The Prime Lamb facebook page. These activities are super important as they enable us to fund activities and equipment that we could not do or have because the money the MoE gives us to operate the school just doesn't stretch that far.

As many of you will already know Annie McLennan our long serving teacher aide has decided to call time on her teacher aiding at Tinui School. Annie had been a part of the Tinui School staff for 25 years and has had a positive influence on hundreds of Tinui kids and families during her tenure. Annie has specifically requested that there be no fuss made about her leaving but I, the staff, Board of Trustees and many in the community rightly feel that Annie's service to Tinui School needs to be recognised. If you would like to contribute towards a gift for Annie please drop your contributions into the school office before the 1st of March and we will organise a suitable gift to present to Annie on behalf of the school and wider community. If you want to drop in a card or other communications for Annie we will be happy to pass those on also. Another sad piece of news is Amanda Cottle has resigned from her position as Room 4 teacher and her last day will be at the end of term. We will be very sad to see Amanda leave us.

It has been an awesome first full week back at school and we are fully into the swing of learning. Please make sure you respond to all the notices sent home yesterday.

If you need to contact me please do so at school or on principal@tinui.school.nz

SUN HATS

All students have been issued with a school sun hat. The school sun hat must be worn when outside playing and during PE lessons. No hat and students have to sit in the shade. Please make sure your child takes their hat back to school if they have bought it home in their bag. Caps are not adequate sun protection as they provide no protection for the ears and back of the neck.
