

WEEK 4 TERM 1 2019

Kia ora koutou Tinui whānau and friends!

Just a quick note from me this week.

Wings Over Wairarapa was an awesome experience for the kids and they all loved it. The feedback has been great from all schools and it looks like we will do it again in 2021. It has been a very busy week with the whole school participating in the Rural Swimming on Thursday and Room 4 going to the Annual Coastal Classic Ki O Rahi on Friday. As soon as the entries for the Masterton Cluster Swimming have been finalised we will send out information to parents.

Thanks to all of you who have made a time to come in for a learning korero on Monday and Tuesday. We are looking forward to catching up with you all.

If you haven't already, please download the Skool Loop app for your phone. We will be starting to use it to send out more information in the near future. The links to the app store and google play are in this newsletter.

Please take note of the cyber safety alert later in the newsletter.

Have an awesome weekend!

If you need to contact me please do so at school or on principal@tinui.school.nz

Have you thought about becoming a board member for your school?

Come along to NZSTA's Kōrari Programme to find out about becoming a school trustee on a school board!

We are holding a community hui at Kuranui College on 2 April 2019 at 6.00 pm in the lead up to this year's board of trustees' elections.

At the hui you'll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on a board of trustees
- How is a board elected
- What help do school trustees get
- How does the board of trustees work

We look forward to seeing you and helping your school's succession planning!

Kōrari – a programme that provides you with governance training to help you understand the role of school boards of trustees
