

WEEK 5 TERM 1 2019

Kia ora koutou Tinui whānau and friends!

Just a quick note from me this week.

Our Learning Korero went well and it was great to catch up with you and chat about your child's/rens' learning.

Well done to those students who competed in the Masterton Cluster Schools Swimming on Wednesday.

The Room 3 Rocky Shore visit was a huge success and thanks to those parents who provided transport and supervision for the day. Thanks to Miss B for her awesome organisation skills.

It was really interesting for those of us left at school on Wednesday watching the Tinui Church being moved (see the photo).

If you haven't already, please download the Skool Loop app for your phone. We will be starting to use it to send out more information in the near future. The links to the app store and google play are in this newsletter.

Please note there is a PFC meeting at school at 3pm on the 19th of March. They need lots of support so they can raise funds for our kids to continue doing all these great activities. See you there.

If you need to contact me please do so at school or on principal@tinui.school.nz
Have an awesome weekend!

SUN HATS

All students have been issued with a school sun hat. The school sun hat must be worn when outside playing and during PE lessons. No hat and students have to sit in the shade. Please make sure your child takes their hat back to school if they have bought it home in their bag. Caps are not adequate sun protection as they provide no protection for the ears and back of the neck.

WEEK 5 TERM 1 2019

To all our valued William Trucking clients,

Well, what a hot summer we have had! Welcome to autumn and a few cooler nights but still lovely weather.

Williams trucking was kept busy moving bee hives through the Christmas/new year period, out of the region and lately bringing them home to be extracted. A few weeks helping Reisima Haulage with a huge hay season plus the usual bits and pieces has made the summer roll on by!

For the month of April, we are running a promotion to highlight one of the many services offered by Williams Trucking. We will donate \$10 to your local school for every four wheeler or side by side transported to and from town for a service from your preferred service agent. We will have the local bike shops on side so you will be able to request that you have us transport your bike. So remember, book that pre-winter service for the month of April. Maybe some new tyres for the impending wet season!

Williams Trucking are a bit different to the previous owners, in that trucking is our core business and we are not afraid to take on the bigger jobs too. Our wool cartage rates are very reasonable and if you sell in the shed, the transport cost will be factored into the price you receive. By having us transport your wool, you could use this as a bargaining tool to achieve a premium for your product, whilst supporting your local trucking company. You do have a choice. Larger wool clips not a problem as we can cart around 40 bales per trip.

The same goes for your local hardware store offering free cartage. Nothing is free in 2019! Have us transport your timber/posts, then see how much \$\$\$ you can trim off your building supplies total cost.

For all your out of town freight, we have a depot in town where products can be delivered to, then transported by us to your property.

As some of you will be into autumn slowing/re-grassing by now, remember to have your fertiliser and seed reps put William's trucking down as your preferred transport service.

We will get bagged fertiliser orders emailed to us from the supplier that way.

Williams trucking is for all your on farm supplies, wool cartage, machinery, moves, baleage/feed cartage, road metalling, transporting quads.....anything trucking.....no job is too big!

Please don't hesitate to ask if we can do this or that.....always approachable with a can do attitude. Also remember that anything that is bigger than a parcel, Williams Trucking can do, as we ARE Tinui Freight.

Contact us anytime on 027 243 3666 or robert@williamstrucking.co.nz. Or check out our Fb page <https://m.facebook.com/Williams-Trucking-Limited-1783749041742272/>

Kind Regards
Robert and Stacey Williams

Have you thought about becoming a board member for your school?

Come along to NZSTA's Kōrari Programme to find out about becoming a school trustee on a school board!

We are holding a community hui at Kuranui College on 2 April 2019 at 6.00 pm in the lead up to this year's board of trustees' elections.

At the hui you'll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on a board of trustees
- How is a board elected
- What help do school trustees get
- How does the board of trustees work

We look forward to seeing you and helping your school's succession planning!
