

WEEK 6 TERM 1 2019

Kia ora koutou Tinui whānau and friends!

In the week of 18 March, primary teachers and principals around the country who are NZEI Te Riu Roa members are heading to meetings to vote on whether to accept or reject the latest collective agreement offers from the government. They will also be voting on whether to take strike action should the offers be rejected. Our teachers will be attending the meeting on Monday the 18th March at 2pm and I will be attending the meeting on Thursday 21st March

School will be open as normal on both days.

These meetings are a crucial part of the 'Kua Tae Te Wā - It's Time' campaign. They're an opportunity for teachers and principals to come together to discuss the offer and decide next steps.

We want to ensure teaching is an attractive profession for people to join and stay in, and we have asked that the government provide for better staffing to reduce class sizes and give us more time to teach and time to lead.

The offers received are only minimally different from what was offered (and rejected) last year. This is because the government has refused to increase the amount of money available.

Already, many schools are having to make sacrifices because of the difficulty in recruiting teachers and relievers, and we must take bold steps to turn this around.

We really appreciate your continued support. If these offers are rejected, it is the voices of parents and the wider public that will be key to forcing the government to listen as we continue our campaign to ensure every child gets the best possible education.

SUN HATS

All students have been issued with a school sun hat. The school sun hat must be worn when outside playing and during PE lessons. No hat and students have to sit in the shade. Please make sure your child takes their hat back to school if they have bought it home in their bag. Caps are not adequate sun protection as they provide no protection for the ears and back of the neck.

WEEK 6 TERM 1 2019

Board of Trustees Elections are coming up in June. There is no better way to give a positive to our school than becoming a member of a School Board of Trustees.

Have you thought about becoming a board member for your school?

Come along to NZSTA's Kōrari Programme to find out about becoming a school trustee on a school board!

We are holding a community hui at Kuranui College on 2 April 2019 at 6.00 pm in the lead up to this year's board of trustees' elections.

At the hui you'll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on a board of trustees
- How is a board elected
- What help do school trustees get
- How does the board of trustees work

We look forward to seeing you and helping your school's succession planning!

Kōrari – a programme that provides you with governance training to help you understand the role of school boards of trustees
