

WEEK 10 TERM 1 2019

Kia ora koutou Tinui whānau and friends!

Term one ended on a huge high with our whānau sharing day (see our Facebook Page). It was great to see so many parents come and listen to our presentation regarding our channels of communication: The school website, the Skool Loop app, the SeeSaw app and our SchooDocs website which is now accessible from our school website.

We also farewelled Amanda Cottle who has been here since the middle of 2014. We wish Amanda and Phil all the best as they hop across the Tasman to live and work in Australia.

On that note we have appointed Meike Couling to be the release teacher in Room 4. Meike has experience in rural schools and is very excited to be joining our teaching team. We will give you the opportunity to meet Meike when she joins us in week 5 of Term 2. Sam Shackleton will be the release teacher in Room 4 weeks 1 -4.

Following the events in Christchurch we have had a visit from police to talk about student safety and our lockdown procedures in the event of anything untoward happening at school. Police are happy that we have an appropriate plan and procedures in place to effectively manage a situation should it arise. Students have been briefed on our lockdown procedure and we will have an actual practice early in Term 2.

Room 4 also had a visit from an ex-pupil of Tinui School Pip Schofield who is an Air New Zealand pilot and is currently flying on 787-Dreamliners. Pip came in to talk to Room 4 about her pathway to being a pilot. She spoke in detail about how the students could become a pilot and the pathway of study and learning they could take to get there.

We have had a great start to the year and are looking forward to continuing the momentum next term.

Have an awesome 2 weeks with your kids! If you need to contact me please do so at school or on principal@tinui.school.nz
