

# WEEK 9 TERM 1 2019

Kia ora koutou Tinui whānau and friends!

The end of Term 1 is fast approaching - it seems like only a week or two ago term started! There is such a fantastic feeling of family at school and all of our students are working really hard with their learning. Attitude and effort reports will be sent home next week and along with the learning korero that nearly all of our families attended they will give you an insight into how your child is working at school. We had interviews for the position of Room 4's 0.5 teacher and I am happy to say we will be announcing the appointment of Mrs Cottle's replacement on Monday.

Make sure you come to our whānau morning at 9:30am Thursday 11th of April to get the low down on our school communication channels, share your child's learnings and farewell Amanda. Please bring a plate to share for morning tea too.

As part of my professional development I have started reading a book called "Empower" This is what the book's blurb has to offer.

*"Kids begin their learning journey as curious problem solvers who ask questions and create solutions. As they go through school, something happens to many of our students, and they begin to play the game of school, eager to be compliant and follow a path instead of making their own.*

*As teachers, leaders, and parents, we have the opportunity to be the guide in our kids' education and unleash the creative potential of each and every student. In a world that is ever changing, our job is not to prepare students for something; instead, our role is to help students prepare themselves for anything."*

I'm looking forward to sharing with you all some of the insights into teaching and learning this book has to offer over next term and continuing to explore new ways of preparing our kids for their dynamic futures.. I hope you all have an awesome weekend!

# WEEK 9 TERM 1 2019

Calling all unwanted  
Mobile Phones

It would be great if you could rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have.

Phones collected help our School gain valuable rewards and the environment also benefits by keeping our landfills free of mobile phones and their array of hazardous toxic substances.

Please drop any phones you may have in the collection box in school reception.
