

WEEK 4 TERM 2 2019

Kia ora koutou Tinui whānau and friends!

It has been confirmed that school will not be open on Wednesday the 29th of May as Primary, Area School and Secondary school teachers who are union members are striking. Parents and caregivers will have to keep children at home or make other arrangements for their care.

We have received several nominations for our triennial Board of Trustee elections and as we have more nominations than vacancies we will be having an election. You will receive your voting papers in the mail and will have to send them via post to be counted by June 7th. All parents of students at Tinui School are eligible to vote and it is important that you do have your say in voting for the parent representatives on our Board of Trustees.

I would like to thank Luce Williams and Kylie Blyth (who are standing down) for their service to the school on our Board over the past few years.

Last year we started using Seesaw, an app that allows students to share their work with teachers and more importantly with you the parents and caregivers. Some parents have indicated that they are no longer receiving notifications of their child posting on Seesaw. Here is the link for you to join or rejoin Seesaw so you can share what your child has been posting.

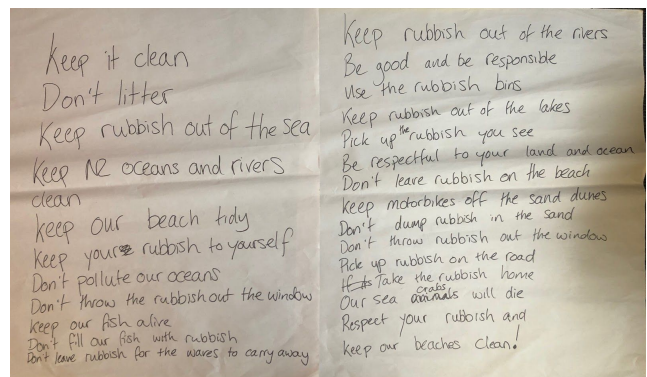

1. Click on this link:

2. Choose your child from the list
3. Create your account
4. Once we approve you, you can see content from your child

Lastly I would like to thank Sam Shackleton for relieving in Room 4 over the past 4 weeks. She has been a life saver for me as her working in Room 4 has meant I have been able to continue with the administration and leadership side of my principal's job. We wish Sam and Ian all the best with their nautical adventures. Have a great weekend!

WEEK 3 & 4 RESPECT AWARD RECIPIENTS.

Each week we give a RESPECT award to students who have been demonstrating and role modelling our Tinui School RESPECT values. Last week Murdoch received a RESPECT award for having Enthusiasm for his writing and making awesome progress. Madi received hers for the way she always gives everything a go! This week Jane's award was for achieving Excellence in her Must Do tasks and Austin for learning new pencil techniques in art with excellent focus.

At the end of Room 3's enquiry the children decided to focus on keeping our beaches and waterways clean. Everyone participated with a sentence or two to make the above poem.

Coasties 11 a Side Hockey 2019

The hockey season has kicked off and we have had a major resurgence in player numbers. This has meant we can field an 11 a-side team made up of players from Tinui and Whareama Schools. We even have reserves!

We played 2 grading games against MIS Kereru (3 all Draw - POD Heath Hastings) and MBA Black (2-0 Win - POD Kaitlyn O'Neale). Quite a few of our players have not played 11 a-side so we have done exceptionally well to be placed in the B grade playing on Monday nights. I'm really excited to be coaching this group of kids and am looking forward to a successful season.

BUS STUFF....

A reminder that if you or another person is picking up your child from school you as their parent or caregiver must notify the school of your arrangements. Messages from students are not sufficient as we need to be notified by an adult, parent or caregiver. If you have a regular or permanent arrangement please notify the school via email, facebook message or phone so we can record the arrangement and avoid any confusion at the end of the day. Thanks to those of you who already do this. When there is confusion the kids can become very upset and you as parents / caregivers can become frustrated if your child is put on the bus or left at school because of miscommunication.

RUGBY AT BREAK TIMES

Students are wanting to play rugby at break times. If your child wants to play rugby at break times they must have a complete set of spare clothes to change into. Our field gets very muddy and we don't want their good clothes getting ruined and the classrooms full of mud.

No change = no play
