

WEEK 8 TERM 2 2019

Kia ora koutou Tinui whānau and friends!

I have had a very busy week. Teaching in Room 4 Monday Tuesday where our independent learning is developing and students are becoming more and more independent and intrinsically motivated learners. Ask you Room 4 child to explain how it works and get them to log into their Google Drive and show you their learning.

On Wednesday I attended Future Focussed Teaching professional development delivered by [Carolyn Stuart](#) who was a school principal and is now delivering professional development around goal setting, and mapping the journey to achieve your goals. This was particularly relevant to our schools journey which is focussing on developing 21st century learners who are able to be independent and able to identify what they need to learn next and the steps they need to take to get there.

On Thursday I attended an NZEI meeting for principals around the offer made to principals from the latest round of negotiations, a Masterton principals cluster meeting and a Whakaoriori Kahui Ako (Community of Learning) meeting. It is good to be back at school and hanging out with the kids again to be honest! Even if I am in my office typing this. Going back in time to Monday we had our first Board of Trustees meeting for our new trustees Kylie Meredith and Lisa Shelton. At the meeting we farewelled Luce Williams who has been a long serving BoT member and Kylie Blyth who has been board chairperson for the past 18 months. Their service to school will be recognised officially at the end of year final assembly.

On Monday we are being visited by two 5th year masters students from Canada who are studying education and want to look at the way we are teaching and learning at Tinui School. This has come about because my principal appraiser is impressed with the independent learning journey we are on and thinks these students will benefit from seeing what we are doing at Tinui School. This is very high praise for our school and it just goes to show that you can be cutting edge even at a small school like ours.

I'm looking forward to the feast of sport (namely Super Rugby playoffs, International League Tests, State of Origin and a smattering of World Cup Cricket.) this weekend while I read and write term 2 reports and plan learning for our kids. I hope you all have a great weekend too!

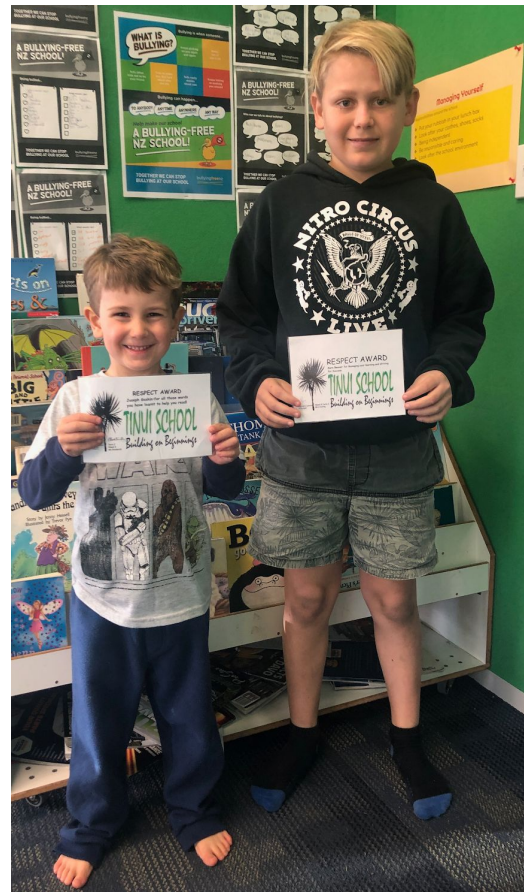

If you need to contact me please do so at school or on principal@tinui.school.nz

Have a great weekend!

Nga mihi

Suicide in Rural New Zealand is higher than any other demographic having a lasting ripple effect through a community - especially with our young people, who are often the largest statistic.

ABOUT THE EVENT

On the 2019 Speak Up Tour, Elle, Jess and many inspirational local and national speakers will host a casual evening of talks & tips on the topic of getting through the tough times on whilst living in isolation, and how to navigate the storms together as a community.

BRING YOUR WILL TO LIVE : Be apart of the powerful 'Speak Up' with hundreds of dogs kicking off the night at the venue from 6.30pm, where we have a moment of silence for those that have lost the battle of depression and then a 'bark up' in unison breaks the silence. A group photo will be taken as a momento for your community, a reminder of collective strength.

As part of the event, we will provide dinner and entertainment. A charity auction will take place thanks to the kind generosity of businesses in your local community with all funds going to the on-going education tours of Will to Live.

If you would like to donate an auction item to this event, please get in touch with :
