

WEEK 10 TERM 2 2019

Kia ora koutou Tinui whānau and friends!

Term 2 comes to a wet end and we all breathe a collective sigh after union meetings, strikes and toing and froing in the media which often did not portray accurately what was happening around the negotiating table or the fact that the teachers and principals were in completely separate negotiations with the Ministry of Education.

From a learning point of view parents of Room 4 students will receive an invite to attend an information session in the first week of term 3 where we will share the results of student voice gathered around their learning in Room 4 and information around the sharing of the student's individualised independent learning with whānau. The invite will be sent via email, facebook and the Skool loop app and will require you to RSVP. It is important that you as parents attend this information session as it will explain our expectations around your child's learning and some dos and don't for you as parents.

Your child's Mid Year Progress Report is in their bag today. Please read it with your child and if you have any questions, concerns or queries please contact your child's teacher and make a time to meet or have a conversation with them around your questions.

Have an awesome 2 weeks with your kids. Miss Broderick, Mrs Couling and myself will be attending professional development around modern learning in the term break and meeting to plan term 3s learning.

If you need to contact me please do so at school or on principal@tinui.school.nz

Have a great weekend!
