

WEEK 1 TERM 3 2019

Kia ora koutou Tinui whānau and friends!

It is great to be back! I started my week in class with the Room 4 crew and we jumped straight back into our learning with a hiss and a roar. It is awesome seeing our students across our school developing into self managing self motivated learners. Even our year 2 students are being given an opportunity to develop their self management skills through our development of individualised independent learning.

On Thursday evening Mrs Couling and myself met with our Room 4 parents to talk about the way our Room 4 students are being taught and how they are learning to manage their learning as well as the suit of different online teaching and learning tools they are using on a daily basis. We also talked about why we are teaching and learning the way we do.

We shared how to access their child's online learning and their individualised learning plans specifically planned for their learning needs.

We were thrilled with the number of parents who attended the session. If you were unable to attend and would like to see what was discussed there is a link to the presentation [here](#) and we can give you a bit of a tutorial on how to access your child's learning plan and supply you with all of the usernames and passwords for your child so you can share their learning.

We farewelled Zarn B with a shared lunch on Thursday. Zarn has moved closer to town and will be finishing year 8 at either Lakeview School or MIS. We wish the Beaver family all the best.

I am travelling to a conference next week and Mrs Robyn Farmer will be relieving in Room 4 from Tuesday through to Friday. I will write next week's bit from the Far North.

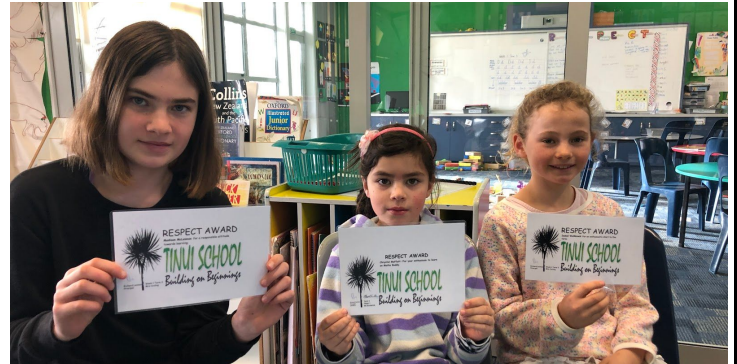

If you need to contact me please do so at school or on principal@tinui.school.nz

Have a great weekend!

Nga mihi
Richard Lennox

WEEK 1 RESPECT AWARD RECIPIENTS

Each week we give a RESPECT award to students who have been demonstrating and role modelling our Tinui School RESPECT values.

This week's student's are Madison M for a RESPONSIBLE attitude towards learning. Chrystal M For your ENTHUSIASM to learn on Maths Buddy, and Izzy W for an ENTHUSIASTIC start to the term. We also welcomed Mykalea Sheeran to Tinui School who started in Room 3 this week.

STUDENT AGENCY? WHAT IS IT?

Student agency refers to learning through activities that are meaningful and relevant to learners, driven by their interests, and often self-initiated with appropriate guidance from teachers. To put it simply, student agency gives students voice and often, choice, in how they learn.

WEEK 1 TERM 3 2019
