

# WEEK 10 TERM 3 2019

Kia ora koutou Tinui whānau and friends!

On Thursday I had a meeting with my appraiser and a representative from our school Board of Trustees. (Principals are appraised on their performance every year as a matter of course and measured against the school's strategic goals and the professional standards for teachers and we have a meeting each term.)

It was suggested that we celebrate our successes at Tinui School more and was very complimentary about our teaching and learning at Tinui School and called it "ground breaking". She said that we should be very proud of the teaching and learning that is happening at Tinui School and that we are doing right by our students in the dynamic changing world of education and helping to prepare your children for their futures both at college and beyond.

For me personally it is great to receive this kind of feedback from an experienced educational professional as sometimes I do get a little lost with the not so positive things which in reality are the minority. I guess the mantra you can't please everyone all of the time is pertinent here but as long as the majority of people are happy most of the time we can say we are winning.

It is a very busy term next term so please keep an eye on the school calendar.

I hope you have a great couple of weeks with your kids and that they come back refreshed and ready to rip into term 4's learning.

If you need to contact me please do so at school or on [principal@tinui.school.nz](mailto:principal@tinui.school.nz)

# WEEK 10 TERM 3 2019

## PAPER SHAPER

WEDNESDAY 16 OCT, 11AM & 2PM  
CARTERTON EVENTS CENTRE

The story springs straight from the realms of imagination and curiosity that children inhabit. What happens to that little man on the side of the rubbish bin when no-one is looking? He creates a whole universe out of people's paper, with a paper sun, paper trees, paper flowers and paper butterflies.
