

NUMBER 5, TERM 1, 2022

Hello to all

It seems the weather has turned to the cooler side and we have a lot of children away with the seasonal colds . Unfortunately, we still have to keep the classrooms ventilated so it might be a good idea to dress the kids in warmer clothing and pack a jacket for outside.

The School Swimming Sports went well and the turn out of parents was impressive. All the kids did very well and even with only our children competing there was some excellent competition. Next year the staff have decided to accept the challenge and put in a team for the relays to add to the fun.

The pool will stay open till next week in case we get a hot day and I have told the kids to keep their togs at school, if they can, for the next two weeks.

In the classroom the Junior room has been learning about good bugs like the centipede. If you see your children digging under stones and rocks you will know that they are on the hunt.

The Senior room has been doing some work on resilience and how we can help each other and build good relationships with each other. Mr Webb has been working on getting the

children their Google Licence which is a hot favourite.

That's all for this week....

Simon

NB

Please remember if you have any questions, queries or concerns please contact Simon Couling at school on principal@tinui.school.nz or Mieke Couling on miecec@tinui.school.nz

Recent Birthdays....

Hemi Moffatt & Joseph Gaskin - we hope you had very happy birthdays!!

NUMBER 5, TERM 1, 2022

SCHOOL CALENDAR - Term 1, 2022

8.30am - School opens
8.50am - School starts
10.00am - 10.20am - Morning Tea
12.00am - 12.25am - Lunch
1.20pm - 1.35pm - Afternoon Tea
2.45pm - School finishes

Bus Messages - in by 2pm!!

**Remember if you don't see the thumbs up sign on messenger, we have not seen the message.

East Coast Hockey 2022

Hockey starts in Term 2. This year we are looking to put a couple of teams from East Coast:

- Years 3/4 = this is 6 aside and will either be played after school/evening on Tuesday or Saturday mornings. Wairarapa Hockey is still to confirm which day Mini Sticks will be played.

- Years 5/6 = this is 7 aside and will be played after school/evening Friday.

All games are played at the Clareville turf. Practices are likely to be Thursday after school on the Tinui Tennis Court turfs.

If your kids are interested, please message Nicky Brown via Facebook or email Nicky Brown (nicky.tom.brown@gmail.com).

Kids News It Up

Hello it is the kids from kids news it up. Today we will be talking about the school. First of all room 3 has been learning about bugs and how to rhyme. They are also learning the abc, next we'll talk about room 4. Room 4 has been learning how to write neatly and the green triangle math group has been learning multiples of 3,4,5,6 and 10s. The blue rectangle math group has been learning about time and how to make a time machine. As you all know Chrystal talked to you about the charging station. But we are going to spice it up. We have a Charging station as you know in room 4 but that Charging station comes with a token to put in this little box. If you are feeling Great you put your token in the green slot, If you are feeling ok you put your token in the yellow slot, And if you are feeling miserable you put your token in the red slot. That's all for today from Nevaeh and Alexea.

NUMBER 5, TERM 1, 2022

Student work from the week....

One weekend we had millis and millis of rain the first day it started raining which was Saturday we had 86 millis and the road started slipping away and then the power. Went off so we started the morning off with board games because we were bored. I learnt that you can live without power and you can cook on the barbecue. Luckily we had sausages and patties. I liked that there we had no power because we were outside more. On Saturday we went down the main track to get to the station. We couldn't get down the track because the hill had slipped on to the track so we couldn't get there. We had a look at it and then we turned around in the buggy and then went to the beach. We only went as far as the sand dunes. and it took us like twenty minutes because we had to go slow because of sticks and foam from the sea. Then we went home later when the sun came out so we went around the slip up high.
