NUMBER 7, TERM 1, 2022

TINUI SCHOOL
Building on Beginnings
Established 1876

Hello to all

As we are reaching the end of term, most of the ākonga are back in class. Like every other school in New Zealand, this term has been one of very high student and staff absenteeism. This will have had some implications on some of the learning for some kids. It also means that not all children have been as thoroughly tested as we would have liked. The Term One reports are due to come home next week.

The Senior room will use their forensic science skills to solve a crime today! Next term the science will focus on Wonderful Wai to run alongside our Freshwater Programme. The Senior Math group has been measuring the perimeter of the school using scrap wood from the building site to make their measuring devices.

The entire school is really enjoying the new sports equipment and quenching their thirst with the new 'Bob' (the watercooler). Thank you so much for everything TSFA! The children and staff are participating in a Squash Ladder Competition, with the goal to reach the top of the ladder and win the Easter Egg .

As always, we will finish the last day of term with a movie and some fun games. The end of term is next Thursday the 14th of April, with Good Friday being the following day.

That's all for this week….

Simon
