

NUMBER 8, TERM 1, 2022

Hello to all

The tamariki are all very excited for the holidays and are looking forward to their last day of term with an Easter egg hunt and a movie. I'd like to thank all the children and staff for being such troopers and getting through such a tough term together. We have had some trying times this term but still managed to have lots of successes. Well done everyone!

We say farewell to Reagan and Mason this term, who are moving out of the area. We thoroughly enjoyed having you at school 🙌. We wish you all the best for the future and know that you will do well wherever you go. Next term we have some new students arriving at Tinui School.

Next term is a busy, exciting, fun filled term with a planned Marae visit, a Freshwater Programme 💧, Science, Cross Country 🏃 and Electives. Covid allowing, we'd also love to host another Grandparent Day. Remember to get in touch with us if you have ideas for Electives and/or are willing to assist.

On Thursday the akonga will bring home their Term 1 reports, these will give you an idea of how your children are doing in Reading, Writing and Maths against the curriculum levels. Early in Term 2 we will invite you to come and have a discussion about your children's learning journey.

Luke V and Cedric C will be representing Tinui School with the reading of the names on Anzac Day. We understand that this year the ceremony will be broadcast live.

We wish you all a wonderful Easter and a safe, happy holiday.

That's all for this week....

Simon

Kids News It Up

Hello, Welcome to this week's Kids News It Up.

This week the school is starting cross country practice. All the kids are excited about cross country. This is the last week of school and all the kids are excited about the holidays. Wow, who knew how fast the term went by. Alright now onto the interesting stuff. The school is doing a ladder. Basically you challenge someone to a game of Squash if they are above you. There is a person coming to Tinui School to see how our learning is going and how the teacher teaches. We are starting to tidy up the school because we are getting ready for the holidays.

There is a computer guy coming into Tinui School because some of the children's chromebooks are running slow. One chromebook has a broken screen. Now that's not a way to look after a chromebook. And one just won't work at all. So he is going to look at the chromebooks. On Thursday there is going to be a movie and an easter hunt. We are going to have popcorn and other yum foods.

Room 4 is practicing desktop drumming and a Maori stick game. Room 3 is practicing their 'Who let the dogs out' dance.

Student work from the week....

On the weekend, I went on the train it was a rainbow train. I went to see the big fireworks and I had a bottle of drink.

DIAMOND

One day there was a girl. She was short with blond hair and blue eyes watching TV. She decided to go on a trip on her blue pastel bike. She went for 3 days nonstop, then one afternoon she stopped on the side of the road. She decided to have a nap but before she went to sleep she found a four leaf clover. She said, "Meh, I don't care", and went to sleep. The next morning she was back on the road. That afternoon she found a town, she saw a diamond she wished she had it. She wished she was so rich so she could buy anything so she went back to where the four leaf clover was. She found it and went back to the town but she could not find the diamond. So she said "I wish to be rich" but nothing happened. Then 10 seconds later money drops on her along with a box she smashed it open with a hammer she found a big shiny diamond.
