

NUMBER 15, TERM 2, 2022

Hello to all

It's been a soggy old couple of weeks with the flu making its rounds which has made things unpleasant. However, we have managed to hold our term assembly with a great turn out of supporting parents there to enjoy the show.

A big shout out to the school children from Tinui competing at the Masterton Schools Cross Country champs. We had four children who were selected to represent the district at the Wellington event. Well done Luke and Jane Shelton, Cedric Couling and Ryder Smith.

This Thursday we are visiting the Tumupuhia Marae at Homewood. This is an opportunity for the tamariki to experience a Powhiri and to learn about the history of the place and the connections the Marae has to our area. This trip is also in conjunction with Matariki and we will also learn about the significance of this time for the Maori people and why it has become our second New Zealand public holiday.

As the term is fast drawing to a close we encourage the children to keep up the effort with their reading and writing at home. We have seen some excellent improvements in the children's learning who have been doing

this.

That's all from me this week. Stay warm and dry.

Simon

NB: Please remember if you have any questions, queries or concerns please contact Simon Couling at school on principal@tinui.school.nz or Mieke Couling on miecec@tinui.school.nz

NB. No school this Friday 24th June.

PS Just a quick note from Rachel in the office. The phone calls and messages letting us know when your children are away is improving. This helps enormously when recording absences in our student management system. So a really BIG thank you :)

Kids News It Up!!

Hello and welcome to the Kids News it up. It is such an honor to share what Tinui School has been doing. First I will start with Cross Country. Everyone did so good at Cross Country all the parents were impressed. Lots of kids from Tinui went to interschools and they did really well. Jane, Luke S, Ryder and Cedric are going to the next race in Wellington. Art has been going really well. Sue has been doing her best to keep the Art room up and running with her little helpers Chrystal, Annabelle, Lockie and Jasmine . The school will be going to the local marae this week and a lot of the kids are really excited. That's all for today.
