

NUMBER 16, TERM 2, 2022

Hello to all

We have reached the end of what has seemed like another very long term. However apart from the usual round of flu/covid, we have had a good term in getting some learning happening and have managed to hold a few very successful events.

Yesterday (July 5th) we had four kids competing in the Wellington Regional Cross Country event. This was the best of the best and a fantastic competition. It was especially great to see our kids in the mix. Although we didn't place, all the children competed very well and in some very challenging conditions as the track turned into a mud slide for the senior races. A big shout out to Luke and Jane, Cedric and Ryder. Well done and we were all very proud of you representing our little school.

Next term we have lots of good stuff lined up for the children with a Grandparents Day planned and electives again by a unanimous consensus by the kids.

We will also be bringing back school lunches. There will be more information on this at the start of next term but we are planning to continue with the lunches into term four.

Finally we had a wonderful day at the Tumapuhia Marae and were treated to some great hospitality and traditions and meanings around the Marae. The kids performed well and were a credit to the school. A big thanks to the transporting parents and the support you gave on the trip.

Stay warm, and enjoy having your kids at home in the holidays. I know we will.

That's all from me.

Simon

Kids News It Up!!

Hello and welcome to the kids news it up. This week has been quite a wild week. On Tuesday we had the regional cross country in Wellington that Cedric, Ryder, Luke and Jane participated in. We all did very well and strived for success.

We also have our last day of term movie this Friday that we are all looking forward to very much. The school has rented a science kit about DNA that room 3 and room 4 have been learning about. We've been doing very fun activities and learning a lot.

That's about all we hope you all have an amazing holiday and see you back in Term 3.

Student work.....

The wild horse and the girl

Once upon a time long ago there lived a little girl. She lived in a small farm house next to a fenced off forest. The girl's name is Lily. She has brown hair and brown eyes. Lily's very kind and beautiful. Sometimes Lily gets angry at her parents. One day she got really angry at her parents. She ran out of the house and did something super naughty she jumped over the fence. She said "I hate you, I'm never coming back". I know that's naughty you're probably thinking why is the forest fenced off, well they fenced it off because there is a black horse but the problem is that it's wild. Lily ran deep into the forest. Her parents didn't tell Lily about the horse because they wanted Lily to be safe. She ran as fast as she could. After 1 hour she got lost Lily cried and cried Lily said " I wish I stayed home " she said in a husky voice. Lily's parents called out to her but she was too far away to hear them. A branch broke and fell on Lily's leg. She cried even more she screamed but no one could hear her she thought her leg was broken and it was.

Wednesday 6th of July 2022

One day we were at the beach at Akatio. My uncle Henry got out his motorbike then I got on his motorbike and started to chase my uncle round the house on the motorbike. Then uncle Henry said to me, "stop chasing me". But I did not stop chasing my uncle Henry round the house.
