

# NUMBER 24, TERM 3, 2022

Hello to all

Last Friday saw the final match for hockey this season against an enthusiastic parent team. The game was a lot of fun and hockey was the winner on the day. Great work by coach Nicky Brown and the parents that supported the Team, you did a great job under tricky circumstances.

Basketball is the next sports craze that has hit the school. Some of the children are playing for a combined Whareama team and are thoroughly enjoying mixing with other kids and experiencing a new sport. At school we have been practising and playing basketball which has been made possible with the new PE equipment donated by the TSFA.

We are really excited about Grandparent's Day on Friday. The kids are excited too!! We will start at 10.30am with a brief greeting followed by some performances and activities. There will then be a shared lunch. The children have been busy rehearsing and practicing hard this week for their grandparents so these performances should be thoroughly well polished for parents the following week for our School Assembly on **Wednesday 21st September**.

As you already know there is a teacher ONLY day on **Monday 19th September**. This is a much needed opportunity for the teachers and staff to do some Professional Development . You may also now be aware there is going to be a one-off Public Holiday on **Monday 26th September** to mark the passing of Queen Elizabeth II.

This will mean the children have 2 four day weeks running up to the school holidays. This will be very beneficial given how tired both the children and teachers are after a really challenging term.

That's all for this week.

Simon

## Kids News It Up

### Introduction

Hello ladies and gentlemen. Welcome to the Kids News It Up where children tell you what has been happening at school, and all around the world.

On September 8th, something sad happened, unfortunately Queen Elizabeth II died. She was 96 but the good news is that we are going to get a new King and Queen. King Charles III, and the new Queen will be Queen Consort.

### School Events

Grandparents day is coming closer and closer. We're all excited. Hopefully everyone has some grandparents coming, we will provide lunch the grandparents can bring some if they want to.

### The Program

The new program is great. Everyone is loving the new program.

#### **The very weird man.**

Yesterday I went to rugby. Me and Chrystal did math in the car because it was for homework. Then an old man came to my car. Me and Chrystal were very scared. Then the old man went away to the big kids. Then we went to William's car to see William. We saw that William had a sore lip. He had blood on his lip and his lip had swollen up and was very big.
